Janssen Becomes First in Wisconsin Elected to the Rhinoplasty Society

Oshkosh, Wis. – June 4, 2009 – Dr. David Janssen, board-certified plastic surgeon with Fox Valley Plastic Surgery, has been elected to Associate Membership status in the Rhinoplasty Society by a vote by the physician members during their annual meeting held on May 2, 2009.

The physicians of the Rhinoplasty Society reviewed 30 rhinoplasty procedures by Dr. Janssen over a period of 24 months. Dr. Janssen becomes the only surgeon in Wisconsin to be elected to this prestigious society.

The goal of the Society, comprised of members throughout the world, is education. The society allows surgeons who have a strong clinical, teaching, and research interest in rhinoplasty to exchange and develop ideas and to work out problems in a common forum of mutual respect and collegiality.

Fox Valley Plastic Surgery, established in 1993, specializes in cosmetic surgeries, skin care, vein care and laser services. Drs. David Janssen and William Doubek are Board Certified by the American Society of Plastic Surgeons (ASPS). Dr. Janssen has been a member of the American Society of Aesthetic Plastic Surgery (only twenty-five percent of practicing cosmetic surgeons belongs to this prestigious society).
